

ASI - A7

Field Artillery Master Gunner

- a. Description.** This course is designed to give an individual a working knowledge base of planning, assessing, implementing and evaluating Field Artillery training at Battalion level. Each student will gain a working knowledge of current FA weapons systems, FA Tables IAW FM 3-09.8, training management, crew served and small arms weapons assigned to FA units. Students will also gain a working knowledge of Battle Focused Training Management, Advanced Gunnery Training, integration of training devices, assessment of units, and the development of FA certification programs to sustain and improve unit proficiency. Their knowledge will be evaluated during a culminating scenario based exercise, where they will apply their knowledge of Field Artillery Master Gunner tasks and abilities.
- b. Qualifications:**
 - 1. Must complete the Field Artillery Master Gunner course at USAFAC, Ft Sill, OK.
 - 2. Awarded to Active Army, and National Guard Sergeants First Class, serving in a Battalion Master Gunner / Operations Sergeant or Chief Fire Control Sergeant / Chief Fire Direction Computer positions, or those personnel projected to fill that position.
 - 3. Must have competed ANCOC and successfully served as a FA Platoon Sergeant for at least one year.
- c. Restrictions.** For use with MOS 13B, 13D, 13M, and 13P.
